

DEDICATED. EXPERIENCED.

marcfirst Janitorial Services provides high quality, professional cleaning services to all businesses, from small offices to large commercial facilities. Our program was established in 2009 when we absorbed the janitorial program from the Occupational Development Center upon its closure. We have earned the respect and support of those original clients as well as new clients as we strive to bring a unique and superior level of cleaning and customer service.

All of our professional staff are highly trained and supervised. From routine cleaning to special services marcfirst Janitorial Services are customized to meet your needs.

We specialize in:

- multi-tenant facilities
- medical offices
- law offices
- rehabilitation facilities
- childcare facilities

Our customized janitorial services are available on a daily, weekly, monthly or annual basis. Each project is individually priced to ensure our services will meet the specific needs of our customers.
